All remaining funds will be donated to our four local charity partners to extend the effects of FaithFest to our neighbors within Montgomery County.

Our Charities

Home of Hope - www.homeofhopetexas.org

This organization helps to house and care for victims of sex trafficking. There are only a few hundred beds across the entire United States for these heavily abused youth, and Home of Hope makes it their goal to provide not only a safe, nurturing shelter, but an environment of hope and healing for these victims.

All The King's Horses - www.allthekingshorses.org

One woman's love of horses, and personal journey to peace with Christ has led to this opportunity for at risk youth to learn responsibility and love while working with these majestic creatures. A simple concept with amazing results bringing joy and passion to those needing it most.

Compassion United - www.compassionunited.com

With a heart for the homeless, Compassion United makes it their mission to serve those whom society has allowed to fall through the cracks. Providing clothing, food, and many other services, these good Samaritans bring Christ and his ministry to those closest to His heart.

St. Vincent De Paul of Conroe - www.svdpusa.org

The largest branch of St. Vincent De Paul in North Houston, the Conroe SVDP center is a food pantry that also supplies clothing, assistance with medical, utility, and housing costs, hot meals and counseling to the needy of the area. Run on little more than volunteers and donations, they have grown to several thousand within the Montgomery County area.

Crisis Assistance Center - www.cac-mctx.org

CAC is a source of hope for Montgomery County residents experiencing financial crisis in basic needs of housing, utilities, food and clothing. Strengthened through collaboration with community and faith partners, we honor and restore the dignity of individuals and families to attain greater levels of responsibility and financial independence, by delivering assistance and life lasting strategic solutions.
